## Principal’s Message

I would firstly like to thank all of the parents who support our P&C; last Monday’s meeting being the first for the year was a warm and welcoming start to 2013. Next week is the crucial AGM and I ask any parent or carer who has considered being part of P&C, or indeed just visiting, to come along!

Thank you to the generosity of the P&C who already have supported the school by agreeing to purchase two new lathes for the TAS students, an interactive whiteboard for Special Education and will plan to work with the school on an upgrade of the MOODLE server which is needed urgently for the 21st Century learning our students are involved in. We are now beginning to embark on setting up and using the MATHLETICS program which the P&C generously purchased at the end of last year at a cost of $7,000. This is a fabulous Mathematics program which every student should be using and every parent should know about as it can and should be accessed at home. Further information about this computer program can be sought through Mr Gonzalez, Head Teacher Maths.

At the P&C meeting a representative from Daylight Sports and Schoolwear came to speak about the company, which has set up extremely successful uniform shops in around 50 schools in NSW. The uniform shop would be on our own premises and funds would come back into the school to support our school community. A vote was taken and passed that Daylight would set up by the end of the year. From 2014 every primary school student will be expected to purchase from the school. To that end there will be a period of consultation with the students and parents about any small changes that may need to be made to the uniform. This will NOT entail a change of colour or logo, nor a change in the tartan in the girls’ skirt or the woollen jumper. It will involve a new design for the girls’ shorts and may include a new shape for the girls’ skirt and the hooded jumper. This process of consultation will be driven by the School Image Leadership Team and will involve SRC and those students who are in leadership groups.

At the P&C meeting Ms Sarah Hiscocks, our new Head Teacher Special Education, came along to introduce herself and her vision for the Support Unit. We are very lucky to have such a motivated, energetic and compassionate executive who has already begun to make an impact on the school.

All of Year 12 were given this week, details of access to a new computer program which we are using called EDMODO. This program is a useful and powerful site that every student should be using and every parent should know about as it can and should be accessed at home. Further information about this computer program can be sought through Mr Gonzalez, Head Teacher Maths.

Special Education and will plan to work with the school on an upgrade of the MOODLE server which is needed urgently for the 21st Century learning our students are involved in. We are now beginning to embark on setting up and using the MATHLETICS program which the P&C generously purchased at the end of last year at a cost of $7,000. This is a fabulous Mathematics program which every student should be using and every parent should know about as it can and should be accessed at home. All of Year 12 were given this week, details of access to a new computer program which we are using called EDMODO. This program is a useful and powerful site that will enable seniors to have a ‘one-stop-shop’ for information about University, careers and VET. Today there is an enormous amount of information to sort through for careers and career options and not all of it pertains to every student. This program will enable students to filter the information more quickly and effectively. Thank you to Ms Cheryl Burling and Ms Francis Cole who are driving the improvements in communication to our seniors.

Last week was our annual swimming carnival which went ‘swimmingly!’ Thank you to the hard work of the PD H PE

**Next P&C/School Council Meeting is:**

Monday 18 March 2013  
6.30pm Staff common room

---

**Alert Notice!**

If any student or family member contracts chicken pox or measles could parents please notify the school immediately, as we have a student who cannot be immunised against these diseases and who needs to be isolated from any contact.

---

**Students of the Fortnight:**

Congratulations to Drew Lawrie and Jarryd Cameron who are Albion Park High’s students of the fortnight. They showed responsibility and honesty when they handed in a lost mobile phone.

---

**Principal’s Message**

I would firstly like to thank all of the parents who support our P&C; last Monday’s meeting being the first for the year was a warm and welcoming start to 2013. Next week is the crucial AGM and I ask any parent or carer who has considered being part of P&C, or indeed just visiting, to come along!

Thank you to the generosity of the P&C who already have supported the school by agreeing to purchase two new lathes for the TAS students, an interactive whiteboard for Special Education and will plan to work with the school on an upgrade of the MOODLE server which is needed urgently for the 21st Century learning our students are involved in. We are now beginning to embark on setting up and using the MATHLETICS program which the P&C generously purchased at the end of last year at a cost of $7,000. This is a fabulous Mathematics program which every student should be using and every parent should know about as it can and should be accessed at home. Further information about this computer program can be sought through Mr Gonzalez, Head Teacher Maths.

At the P&C meeting a representative from Daylight Sports and Schoolwear came to speak about the company, which has set up extremely successful uniform shops in around 50 schools in NSW. The uniform shop would be on our own premises and funds would come back into the school to support our school community. A vote was taken and passed that Daylight would set up by the end of the year. From 2014 every primary school student will be expected to purchase from the school. To that end there will be a period of consultation with the students and parents about any small changes that may need to be made to the uniform. This will NOT entail a change of colour or logo, nor a change in the tartan in the girls’ skirt or the woollen jumper. It will involve a new design for the girls’ shorts and may include a new shape for the girls’ skirt and the hooded jumper. This process of consultation will be driven by the School Image Leadership Team and will involve SRC and those students who are in leadership groups.

At the P&C meeting Ms Sarah Hiscocks, our new Head Teacher Special Education, came along to introduce herself and her vision for the Support Unit. We are very lucky to have such a motivated, energetic and compassionate executive who has already begun to make an impact on the school.

All of Year 12 were given this week, details of access to a new computer program which we are using called EDMODO. This program is a useful and powerful site that will enable seniors to have a ‘one-stop-shop’ for information about University, careers and VET. Today there is an enormous amount of information to sort through for careers and career options and not all of it pertains to every student. This program will enable students to filter the information more quickly and effectively. Thank you to Ms Cheryl Burling and Ms Francis Cole who are driving the improvements in communication to our seniors.

Last week was our annual swimming carnival which went ‘swimmingly!’ Thank you to the hard work of the PD H PE
staff who enable such a terrific event to run so smoothly, we were lucky enough to have a beautiful day for the event. 25 of our students made it through to Zone which was held on Tuesday 19 February, with a further 22 students now heading to the Regional Carnival on Wednesday 6 March. The next Park Press newsletter will have further details of the Zone results.

Our auditions have been done and our rehearsals begin for the APHS 2013 Musical, “Back to the 80s”. I am very excited to witness the progress and growth of our students as they prepare. Being involved in the Creative Arts is one of the most highly educational experiences a student can participate in. In the activities of drama, singing and dancing students need to have confidence, work in groups, believe in themselves, be ready for constructive criticism and be able to grow and develop in a safe environment. At the end the rewards are enormous, the ability to conquer fears and doubts and stand on stage and perform is a skill no one can take from you; you have it for life. Thanks to our staff in advance for the endless hours of extra work they will do, outside of school hours, to enable the musical to occur!

Welcome!

Albion Park High School would like to welcome three new permanent teachers to our faculties.
Mehdi Hassanpour is in our Science faculty
Brei Dwyer is in our HSIE faculty
Gary Little is in our Industrial Arts faculty

Deputy Principal’s Acknowledgement: Musical Enthusiasm

The enthusiasm students at Albion Park High have for participating in a school musical is absolutely amazing. The CAPA teachers are working extremely hard setting up auditions for the 2013 school musical, “Back to the 80s”. Students are to be congratulated on their willingness to come to the auditions and for being prepared for their performance. Good luck to everyone auditioning and to those selected in their upcoming rehearsals.

Attendance Matters!
The start of a new school year provides parents with an excellent opportunity to develop great attendance habits in their children. Most of our students already have these well established. The following information is provided as a reminder of obligations if a child is absent from school.

* Parent/s or caregivers are required – by law – to provide a written or verbal explanation to the Principal within seven days of any absence as to why their child was not at school.

It is important that the school receives a written or verbal explanation because:
(1) It is a parent’s legal obligation to explain their child’s absence within seven days
(2) It is a requirement that the school investigate all unexplained absences
(3) It avoids the school and the School Attendance Officer from making unnecessary investigations
(4) It is the way the school knows that your child was legitimately absent and not truanting from school

The note of explanation should contain:
1. Date that the note was written;
2. Child’s name;
3. Days/dates the child was absent from school;
4. The reason the child was absent;
5. The signature of the child’s parent or caregiver.

If more than one child from the same family has been absent a separate note for each child should be written. A note should be brought to school on the first day the student returns to school after an absence. Your school is required to investigate all unexplained absences (where a child has been absent and no explanation has been received) within two days.

The Principal will only grant leave for the following instances:
- Sickness – where the absence is satisfactorily explained as being due to illness
- misadventure or unforeseen event
- participation in special events not related to the school
- domestic necessity such as serious illness of an immediate family member
- attendance at funerals
- recognised religious festivals or ceremonial occasions.

Late Students
Currently we have too many students arriving after the start time of 8:25am so the school and families need to work together to change this pattern. School procedures for students who arrive late to school are:
- sign in at the front office,
- present a note that has an acceptable explanation, and then
- present the late pass to their class teacher.

Students have been informed that on the third occasion of arriving late at school without a note or acceptable explanation they will be placed in an afternoon session called RISE [Reflection, Improvement of Self, Engagement]. During this session reasons for lateness will be discussed and some goals set in place for arriving to school on time. Students that do not attend this half hour session will progress to the one hour After School Detention.

The majority of our students respect the fact that arriving on time means that the day starts well for everyone. Those who arrive late not only miss out on valuable learning time but also disrupt the learning of other students and the work environment of the teacher. For those students that arrive late due to late buses the school understands and appreciates that these students endeavour to get to class
as quickly as possible. Parents and carers please work with the school and for your children and get them to school on time. If you have any questions regarding your child’s attendance please do not hesitate to contact the school. Mrs Cole Head Teacher Administration

Welfare Announcements

- **Peer Support:** Peer support will be held for Year 7 students on 3 occasions this term. It will be held in week 5, 7 and 9 and will be led by a select group of Year 11 students, who completed their Peer Support leader training last year. Albion Park High is extremely proud of its peer support program, as every year it provides an instant port of call for our newest students to develop confidence, get to know their school environment, and develop social links with other year 7 students and their older peers.

- **Year Advisors:** The Year Advisors for 2013 – Year 8: Mr Blake, Year 9: Ms Gordon, Year 10: Mrs Gonzalez, Year 11: Mrs Roth, Year 12: Ms Nelson. A special mention goes to our new Year 7 Advisor, Mrs Pinney, and our Girls’ Supervisor, Mrs Osadczuk. Both Mrs Pinney and Mrs Osadczuk are well known faces at Albion Park High, with Mrs Pinney being an ex-student of APHS and Mrs Osadczuk is one of APHS’s longest serving teachers. If you are in Year 7, Mrs Pinney can be found in the Support Staffroom (west of the library) and Mrs Osadczuk is in the Maths staffroom (downstairs in the D-block).

- **Youth Worker:** A Youth Worker from Shellharbour Council, Belinda, will be coming into Albion Park High on Wednesdays. She will be running various programs at the school, linking students to services offered by the Shellharbour Youth Centre and working with individual students who request her help. If you would like to know more about Belinda’s role or would like to meet with her, please see Ms Williams for more information.

---

**VET News**

**School Based Apprenticeships and Traineeships (SBAT)**

Two students at Albion Park High have kick started their careers by commencing a school-based apprenticeships and traineeship. School-based apprenticeships and traineeships (SBAT’s) combine work and study and lead to nationally recognised qualifications. School-based apprenticeships give students the opportunity to commence a trade while at school by completing the first stage of their apprenticeship by the end of their HSC year. While school-based traineeships complete their traineeship by the end of their HSC. The study and work that school-based apprentices and trainees do while at school is credited towards their HSC. Congratulations to Year 11 students Mitchell Mauro who has secured a traineeship and Chad Harrison who is undertaking a school-based apprenticeship. Mitchell will undertake his Retail Traineeship with Woolworths in Kiama and complete his formal qualification at Shellharbour TAFE. Mitchell’s work day will be each Friday and he attends TAFE on Wednesdays.

Chad’s apprenticeship is in Plumbing and he works for Keiren Bates Plumbing each Thursday and attends Wollongong TAFE each Monday.

**Community partnerships deliver VET competencies**

Albion Park High students have teamed up with Kiama Community College to gain nationally recognised Horticulture qualifications. Last year, students in the Year 11 REVS program were instructed by Colin McKenzie from the college to deliver horticulture competencies each Thursday whilst volunteering at the Illawarra Light Railway Museum. Students worked on a variety of projects which enabled them to learn new skills and demonstrate their competency. Some of the projects included establishing garden beds, which they planted out, installing irrigation systems, paving, fencing and mulching. The students also established a herb garden at school to be used by the Hospitality classes.

---

**VET Classes**

VET students in Years 11 and 12 have started the school year well with VET teachers providing positive feedback with regards to students settling into the new school year. Year 11 have been inducted into their courses and have started WH&S modules whilst Year 12 have been preparing for their work placement which will be held week 6 of this term. Year 12 Construction students have finished their garden seating and benches project as part of their assessment. Three of the garden benches with tables have been placed in the Senior area for student use whilst three other benches were quickly bought by staff for personal use.
TVET
All Year 11 and 12 students have commenced their TAFE VET courses at Shellharbour, Wollongong, Yallah and Wollongong West TAFE campuses. Students are taking classes in a variety of courses to gain practical work skills and a TAFE NSW qualification whilst completing their HSC. TVET courses are a great way to build your career and become an attractive worker for a future employer and TAFE courses are designed to lead to higher qualifications and University courses. Some of the courses students are enrolled in are: Animal Studies, Automotive, Baking, Beauty, Children’s Services, Fitness, Plumbing, Signage and skills shortage areas like Nursing.

“Max Potential”
Congratulations to Jaiyde Davies and Kieran Hurry who applied for the MAX Potential Program for Leadership and Responsibility experiences in our Region and have been accepted!! The Max Potential project will allow Jaiyde and Kieran to be involved in 22 weeks of personal leadership development, including coaching. This is in order to help them maximise their potential during the final years at school, and beyond. It also encourages young adults to focus on the local community and ways that they can work to improve it. Max Potential draws on leaders within the community, business, industry, schools and churches, as coaches, equipping them with progressive coaching skills and tools that enable them to form a partnership with young adult leaders, whereby they can pass on their experience and leadership competencies. Good luck and congratulations to Jaiyde and Kieran on their leadership journey.

Cyber Shots Excursion
Year 10 students have the opportunity to attend an anti-cyber bullying performance called Cybershots by the Bamboo theatre. It will be held in the PA Hall on Tuesday 9 April from 9.30-10.30am. Dealing with the moral and ethical issues facing our tech-savvy children, Cybershots is an interactive performance workshop that looks at the consequences of our online actions. Presented as three short plays using an improvisations workshop and Forum Theatre, the programme confronts cyber safety from many perspectives using drama, comedy, improvisation and question/answer. Students in previous years at Albion Park High have found the performance to be very entertaining and interesting. It only costs $5.50 to attend. Please see Mrs Gonzalez for more information.

Pride for Albion Park's Poultry Continues in 2013
Over the summer holidays, students involved in the raising of Albion Park’s poultry competitors were hard at work, presenting the birds at multiple local shows. Like always, our birds had a significant number of wins at Albion Park, Dapto, Berry and Nowra shows. The specific results were:

- Albion Park: we won for every class of breed.
- Dapto: we achieved an incredible 5 ribbons! They were champion soft-feather any variety, champion duck wing, champion hard-feather bantam male and female, and champion hard-feather bantam.
- Berry: we won champion hard-feather bantam, reserve champion hard-feather bantam, reserve bantam overall and champion junior bantam.
- Nowra: we won champion hard-feather bantam and reserve bantam overall.

The birds are now off to Kangaroo Valley Show and Robertson Show. These shows will be amongst the final chances to get the birds ready for the Royal Easter Show in Sydney, with Albion Park expecting to present 30-40 birds there. Congratulations to everyone involved!

Library News
During this term we are trialling a few different things in the Library. Already we have celebrated Pancake Day with quizzes, games of skill and of course, pancakes. Loyalty Cards have also been introduced. Five stamps = 1 merit. Finished cards will go into a draw for other prizes. On Mondays, students will be able to create something from the books in the library, youtube or another source. So watch out for “Make it Mondays”.

On Tuesday we will be running our school-based Chess Tournament. This is open to any student who has an interest in chess, from beginners to world champions. We will also have the opportunity to participate in the High School Chess Day later in the year. Entries close soon. Chess boards, checkers and Scrabble are also available to play at recess and lunch.

Our big news is the introduction of the World Book Encyclopaedia Online. You can try this great resource at home or at school until the end of February using the following details:
- www.worldbookonline.com
- Login: anzschool
- Password: carnation

After the trial, we will give the students more information about use at school and at home. Please give us any feedback.

Check out the new books each week and don’t forget we have a suggestion box for new titles.

Sports News!
Celebrating the New Year Chinese Style!
On the 23 February, a group of Albion Park High students will be heading up to Darling Harbour to compete in the Dragon Boat Challenge. The race is a part of the celebrations over the 23 and 24 February for the Chinese New Year, the Year of the Snake.

Albion Park High will be the only school from the Illawarra competing in the competition AND the only public school! This means we are up against private schools, including those with their own boats and carbon fibre paddles to train with. Nevertheless, APHS is expecting a very successful day on the Harbour as we came 3rd last year and are
hoping to better that result this year. We are also hoping to beat the private schools’ chanting and be the loudest and proudest school on the water.
The following students have been training extremely hard on Thursday during sport time. Best of luck for the Dragon Boat race guys and girls!: Aaron Brownlee, Harrison Ceely, Declan Hull, Cody Hutchison, Josh Leet, Brock Wilbow, Riley Williams, Jake Tomlinson, Jesse Hancock, Andrew Munro, Nathan Clune, Jess Hull, Katelyn Munro, Abby Pabis, Reagan Pabis, Christie Shaw, Ash Carter, Rhiannon Carter, Amanda Blazevska and Sophie Nicholson.

Rec Sport Policy reminder
This is a reminder to students that just because you are heading to a fun-filled afternoon of sport, it does not mean you can forget about the time. Please be on time to your sport and/or your bus and be organised and ready at this time (this includes wearing the correct uniform and having your money). If you are unsure about your sport meeting times, please see the Sports Noticeboard outside the PE staffroom or Mr Farrugia.

Sports Committee: ‘Grab life by the ball’
A lunchtime DODGE BALL competition will be underway at the start of Week 4. There will be a senior and junior division, and teams must have at least two girls on each team. If you would like to enter a team, please see Mr Todd as soon as possible in case there are any places still available.

‘Wrap with Love’
We are all aware of how few possessions people are left with in the aftermath of war and natural disasters. Knitted squares are needed. This year Albion Park High School students will be knitting squares that can be sewn together to produce ‘Wraps with Love’. We need donations of Size 8 (4mm) knitting needles and 8 ply knitting yarn – all colours please. These can be dropped off at the APHS library during school hours.
Any queries please phone Mrs Joynson (Home Economics) or Mrs Estherby (APHS library)

DOES YOUR CHILD HAVE ASTHMA?

Does your child have asthma?

Alert: Emergency Department presentations for asthma increase dramatically when children return to school in February.

Refer to Childrens Asthma Educators:
1300 792 755

Make your child “Ready for School” by:
1. Regular review by GP before school starts
2. Review and understanding of asthma medications and symptoms
3. Review and update of asthma action plan

Employers Wanted – Support Local Students

Students from Albion Park High School will soon require workplacements in the following industries:
- Construction
- Metal & Engineering
- Business Services
- Hospitality

Workplacement is unpaid practical skills training and is an integral part of the industry course they are studying for the HSC.
Are you an employer or do you know an employer in these industries? If so, contact Workplace Learning Illawarra on 4225 2526 or email info@iswlp.org.au to find out more.

Be a part of the bigger picture and join The Bright Future Campaign!

The 2013 Shell Cove Shellharbour City Festival of Sport is being held on the weekend of 1 - 3 March 2013.
Highlights of the weekend include:

- Dragon Boat Challenge on Saturday 2 March at Skiway Park, The Boulevarde, Oak Flats where teams of 20 business and community groups contest for the winner’s trophy. An exciting day that everyone can enjoy – participants and spectators. 9am to 3pm. Individuals over the age of 12 can also register as an individual in a community team.

- On Sunday 3 March from 9am - 11am, the Shell Cove Walk or Run for Fun will be held at The Reserve off Cove Boulevarde, Shell Cove. This 5 or 9 km walk or run through Shell Cove is open to all ages and proceeds go to the Cancer Council and Shellharbour Hospital Ladies Auxiliary.
Skills for Work & Training

**DAPTO CAMPUS** has vacancies in the following courses:

- **CERTIFICATE II Introduction to Retail**- Tues & Wed 9am - 2.30pm
- **CERTIFICATE I Computers Intermediate**- Monday 5pm - 7pm
- **COMPUTER BASICS for Beginners**- Wednesday 9am - 12pm
- **DIGITAL PHOTOGRAPHY**- Tuesday 8.30am - 12.30pm
- **CERTIFICATE I Basic Skills Development**- Thursday 9am - 2.30pm

Contact Dapto Campus on 42 218937 for more information about these programs

These courses are free of the TAFE NSW administration fees but have a $25.00 materials charge.

### Outreach Courses for Semester 1 2013

Vacancies exist in the following courses:

These courses are for people who wish to update their skills to enable them to go on to further training or gain employment

**Dapto Campus**

- Introduction to Horticulture – 10443
- Certificate II Return to Study - 10697

These courses are free of the TAFE NSW administration fees but have a $25.00 materials charge.

For more information about any of these courses please contact:

Outreach Coordinator, Kathy Finigan on 42218939

WEP is offering two **$3000 scholarships** towards semester-long student exchange programs to Argentina and China commencing in 2014.

**Find out more!**

- Visit [www.wep.org.au](http://www.wep.org.au)
- Attend one of WEP’s information evenings and open days.
- Call 1300 884 733

**Upcoming Session**

13 March & 14 May 2013
7:30 – 9pm
Bowlers Club of NSW
Level 2/ 95-99 York Street
Sydney

**Looking For Volunteer Host Families**

World Education Program (WEP) is inviting you to experience another culture in your own home by becoming a volunteer host family to an international student arriving in July 2013. Our students from Italy, Belgium, Finland, France, Switzerland, The Netherlands and South America are looking forward to experiencing life in Australia, making new friends and becoming a member of an Australian family soon.

**Find out more!**

Getting to know your student before he or she arrives brings fun and joy to everyone involved. Take the next step and contact WEP today to receive a full information pack for your family.

**Sylvia Kelly**
Manager – Inbound Exchange Programs
